SUBJECT: Outstanding Achievement

DA, Headquarters, 720th Military Police Battalion, AFO 96491 2 December 1970

TO: All personnel of the 720th Military Police Battalion

1. There is little I can add to the laudatory comments of Colonel Paul M. Timmerberg, Commanding Officer, 89th Military Police Group, concerning the outstanding accomplishment of each individual in the battalion during the recent USA&V Annual General Inspection.
2. Being accorded the title, "Meritorious Unit" by the Group Commander indicates the high esteem this battalion ranks within the Group. You have striven diligently to achieve this status. I am extremely cognizant of each of your efforts in behalf of the collective goals and missions of this battalion. Your performance was magnificent and exceeds that of any other unit I have known in the Army.
3. Each of you has proven that "you care" and have emulated the motto of the battalion, "You Gotta Care." We must now face the challenge of being "first and best" and meet it! We will face stiff competition in the future. I am extremely confident that you will continue to be "first and best."
4. A copy of this correspondence is being placed in the 201 file of each member of the 720th Military Police Battalion.
