Happy Valentines Day to the families of the Gunfighters! We would like to take a minute and thank you for everything that you do for us. It does get said, but not enough - how important the men, women, wives, husbands, daughters and brothers are of the Gunfighter Family. You make an ever daunting and challenging mission a little brighter with all the letters, packages, and messages of thought that you are constantly showering us with. Your dedication to us helps us in our dedication to our mission. For all of those people who have sent their love to us we return the favor, and again...THANK YOU** for all that you do we most definitely appreciate it!**
